## Illumination Station VBS

June 7-11, 2026

Culture claims to know about Jesus, but many people are in the dark about who He really is. Some might see Jesus as just a person from history or a good man or a good teacher – but He is more than that! This summer, VBS will shine a light on who Jesus really is.

Meet us at **Illumination Station™** for the brightest week of the year. Kids will explore all the ways light brightens, illuminates, reflects, and reveals while discovering that Jesus is the light who brings hope to a dark world! Like the disciples, kids will be challenged to answer Jesus' question, "Who do you say that I am?" Through Bible study, music, games and crafts, kids will discover it is not a matter of opinion. Jesus is who Scripture says He is – the perfect, proven, and powerful Son of God.

Light up your summer at Illumination Station™ and shine a light on Jesus! We have classes for all ages from birth to adult.

Here are some important things to know about this year's VBS:

- A meal will be served at 5:00 PM in the Large Fellowship Hall.
- At 5:40 PM, children in the nursery class will go straight to their classroom. Youth and adults will proceed to the sanctuary. Preschool & children's classes will line up for the Worship Rally processional.
- At 5:45 PM Worship Rally begins in the Sanctuary.
- **Preschoolers** (babies – Kindergarten) need to be registered each night where the child and parents will receive matching wristbands for pick-up. The children will also receive a stick-on name badge at registration. A parent, grandparent, or guardian must stay in the building during VBS. If they are not working in VBS they should attend the Adult VBS Class. These children will be picked up at the end of the evening in their classrooms.
- **Children** (grades 1-4) need to be checked in each night on the Sign-In/Sign-Out sheet by a parent, grandparent, or guardian. The children will receive a lanyard badge at registration. Pick-up for 1<sup>st</sup> through 4<sup>th</sup> grade will be in the Large Fellowship Hall.
- Our offering will be for the Operation Christmas Child Shoebox mission project postage. Our goal for this year is \$400.

We hope you will join us this year for Bible Study and fun.

## Library News

Part of maintaining a library means weeding out books that are not seeing any circulation. This allows more shelf space for new books. In our library at Cornerstone, books that we weed out are placed in the bookshelf in the large fellowship hall and are available free to anyone who wants them. Please feel free to browse through these books and take home any you like.

## Operation Christmas Child June Update

In May we focused on gifts for girls since it was Mother's Day month. This month we will focus on gifts for boys! Operation Christmas Child most urgently needs shoeboxes for boys ages 10-14. Because this age category receives the fewest donated boxes, these older children are the most underserved. Boxes for boys ages 2-4 are also highly needed.

#### Best items to pack for older boys:

**Activities and gear:** a deflated soccer ball with a hand pump, flashlights (with extra batteries), baseball caps, playing cards, drawstring bags, remote control vehicles (with extra batteries), fishing kit, small tools, small musical instruments like a harmonica or recorder. Yo-yos, marbles, small puzzles.

**School supplies:** pens, pencils, erasers, notebooks, solar calculators, pencil sharpeners, colored pencils.

**Hygiene items:** toothbrush, comb, washcloth.

**Clothing:** t-shirts, flip-flops, socks, underwear, sunglasses.

Boxes for 2-4 year-old boys can include some of the same hygiene items. Small toys such as trucks, cars. A stuffed toy, a book. And, of course, t-shirts, flip-flops, socks, etc.
