Candy Donations for the Youth Christmas Float

The Youth will have a float in the Jaycee's Christmas parade on December 5th. As a church, we would like to support them by providing candy for them to throw out to the crowds. We will have a box to collect your candy donations in the foyer and large Fellowship Hall.

Thank you for your generosity!

Global Hunger Sunday Update

Our goal for Global Hunger ministry is \$4800. As of October 25th, we have raised \$1765. We will continue to accept donations for this important ministry through November.

Around the world 733 million people live with chronic hunger. Gifts given on Global Hunger Sunday help provide food for those in need while creating opportunities for gospel witness through the local church.

Last year, God worked through the generosity of Southern Baptist to bring real impact:

- 33,000 food packages distributed
- 1.6 million hot meals served
- 31,000 people trained in microenterprise, agriculture, and other income-producing skills.

Most importantly, more than 2.5 million individuals heard the God News of Jesus Christ.

Thanksgiving reminds us to be thankful for the blessings God has bestowed on us. But why wait? Why not take time every day to thank God for what he does? Here's a challenge, every day in the month of November, write down something you're thankful for! At the end of the month, take those pieces of paper and spread them out around your house in places you'll run across them. Each time you see one, it will remind you to give thanks to God.

Pancake or Waffles? Pancake

Favorite Bible Verse: Psalms 50:15

If you had a time machine, what year would you visit?

The Regency Era and experience the origins of the empire silhouette

Which Bible character or story do you most relate to and why?

I relate to the bleeding woman who touched Jesus's cloak because there have been so many times in my life where I have been in pain, especially after being weak, sick and in pain for over three months, and I just told God how tired of it I was. I knew that God loved me and He was taking care of me, and that over time I'd heal. But if this was happening when Jesus roamed the Earth then I'd touch His cloak too knowing He'd heal me
