The **JOYFUL HEARTS CHOIR** began decades ago to give the senior adults of FBCT an opportunity to use their musical talents to share the

Gospel and enjoy the opportunity of singing in churches, assisted living facilities, nursing homes and at civic events. Our enrollment is just over ninety with an age range of 58 to 95. Depending on Doctor's appointments, sickness, seeing our grandchildren (and great grandchildren), trips to every place imaginable, and the normal aches and pains of a group that averages 78.7 years of age... our numbers can fluctuate greatly. We generally travel with 40 to 50 members.

Providing video and audio support for every event. We need all the technical advantages we can get, so we are grateful for our crew made up of volunteers, supported by our church Production Team. Special thanks to *Seth Scoggins, who is a long way from senior status unless you are thinking High School.*

THE SAM BAND members are all Senior Adults. Some are still working and took vacation time to join us for this tour. We are grateful for their commitment.

DIRECTORS
