

WAYS TO CONNECT

life is better together.

SPECIAL NEEDS MINISTRY

At MDUMC, we believe everyone should have the opportunity to experience a full life of faith and know they are a valued part of our church family. Our Special Needs Ministry creates opportunities for individuals with special needs and their families to worship, learn, fellowship, serve, and grow together in a welcoming and supportive community.

Through adaptive programming, meaningful relationships, and family support, we work to remove barriers and create an environment where our special needs friends can experience God's love, build friendships, grow in their faith, and fully participate in the life of the church. We are committed to helping every individual feel seen, valued, included, and empowered to belong, grow, and thrive.
